DISCOVER YOUR AIR CARGO DNA
The Power of Many. SME air cargo agents & consolidators

- SME Forwarders & Consolidators represent over 45% of the Global air freight business.

- Neutral Air Partner organization was founded on 2016 in Hong Kong which is home to the world’s largest cargo airport. The network wants to inject a greater degree of advanced air cargo expertise into the logistics industry, revive specialization, and to drive airfreight and express buying power across the supply chain.

- NAP offers to the air cargo supply chain, from air freight forwarders, to consolidators, from GSAs to charter brokers, and express & time critical logistics firms, advantages that a more general logistics network cannot provide.
**Our mission** is to partner with our members to reach new heights, and set new standards of excellence by building competitive advantages and developing innovative air cargo products and services.

**Our aim** is to become the world’s most powerful grouping of independent air cargo architects and service providers to the trade.
